

Dear Class of 2020,

The Class of 2020 at Rumsey Hall will forever be known as the group of leaders who charted a courageous and inspiring course through a pandemic that disrupted our lives in every possible way. You stayed connected, cared for one another, and maintained the core values of our community. Even as you confronted the challenge of being apart, your Class came together in remarkable ways. We honor and celebrate your resilience, strength, and grit.

We are so very proud of each one of you. Years from now, you will look back on this Spring Term with pride because you made it through while remaining true to the extraordinary people you are. When we are able, we look forward to gathering you here on campus to reunite your Class.

Congratulations to the Class of 2020! We miss you dearly and salute you.
